which is exempt from disclosure under Subpart 3 of this part, and the portion of the records that is required to be made available is reasonably segregable from the portion that is exempt, the portion that is exempt from disclosure shall be deleted and the balance of the record shall be made available to the requester. If the nonexempt portion of the record appears to be unintelligible or uninformative, the requester shall be informed of that fact, and such nonexempt portion shall not be sent to the requester unless thereafter specifically requested. If technically feasible, the amount of information deleted shall be indicated on the released portion of the record, unless including that indication would harm an interest protected by the exemption in Subpart 3 under which the deletion is made.

## **§ 1206.203 Creation of records.**

Records will not be created by compiling selected items from the files at the request of a member of the public, nor will records be created to provide the requester with such data as ratios, proportions, percentages, frequency distributions, trends, correlations, or comparisons.

## **§ 1206.204 Records of interest to other agencies.**

If a NASA record is requested and another agency has a substantial interest in the record, such an agency shall be consulted on whether the record shall be made available under this part (see § 1206.101(f)(3)). If a record is requested that is a record of another agency, the request shall be returned to the requester, as provided in § 1206.604(c) unless NASA has possession and control of the record requested.

## **§ 1206.205 Incorporation by reference.**

Records reasonably available to the members of the public affected thereby, shall be deemed published in the FEDERAL REGISTER when incorporated by reference in material published in the FEDERAL REGISTER (pursuant to the FEDERAL REGISTER regulation on incorporation by reference, 1 CFR Part 51).

## **14 CFR Ch. V (1–1–01 Edition)**

## **§ 1206.206 Availability for copying.**

Except as provided in § 1206.201, the availability of a record for inspection shall include the opportunity to extract information therefrom or to purchase copies.

## **§ 1206.207 Copies.**

The furnishing of a single copy of the requested record will constitute compliance with this part.

## **§ 1206.208 Release of exempt records.**

If a record which has been requested is exempt from disclosure under Subpart 3 of this part, the record may nevertheless be made available under the procedures of Subpart 6 of this part if it is determined by an official authorized to make either an initial determination or a final determination that such action would not be inconsistent with a purpose of the exemptions set forth in Subpart 3 of this part.
